

SPONSORSHIP OPPORTUNITIES

Retail Design Awards 2008 • Tuesday, March 18, 2008

Get your company noticed in an industry that is 19,500 strong and influence key players face-to-face during an exciting evening of recognition.

The “Academy Awards” of the retail design industry, NASFM’s awards program offers you the opportunity to reach retail buyers and designers, and store fixture and visual merchandising providers over a ten-month promotion window stretching

from September through June.

The presentation and reception are attended by 500 industry professionals. In addition, sponsors at various levels receive over 2,000,000 direct mail, 1,500 electronic, and 342,700 trade publication impressions, and references in the awards program, the DDI “Book of Winners,” and NASFM’s online awards coverage (nearly 60,000 page views in 2006-2007 season!).

Winning projects from previous years are frequently viewed online—our current sponsor logos appear on these pages as well. With the recent addition of RDA icon designations to NASFM’s online member search, and direct links to winning projects from company profile pages, sponsors receive even more visibility.

Four levels of sponsorship allow you to choose your level of commitment...or call NASFM to create a customized package.
